

THE ULTIMATE VACATION PACKING LIST

Few Tips:

- Label, roll and loosely rubber band outfits for easier organizing. Or use packing Cubes.
- Keep important medications etc. with you in your carryon bag. -be sure to save room in luggage for souvenirs
- Check your airline luggage policies before your trip - weigh your luggage prior to airport
- Add luggage ties for a way to identify luggage at terminal (also useful for strollers at the parks)
- Utilize all available space in suitcases by adding small items into shoes
- Use your “day bag-park bag “as your carry on
- If driving, pack an “overnight bag” separate from suitcases
